Light & Heavy Weight

***Class # 225 Light Weight  
Class # 226 Heavy Weight***

Judge

Dale Dearing, Vinton, VA

Superintendent:

Danny Dodrill, Asbury, WV

Announcer:

Peyton Hamilton

### **For Your Information**

Pulling Order will be announced just prior to the contest.

A solid bottomed sled will be used for pulling. The first weight to be pulled will be a minimum of 3,000 pounds (including sled). The judge will have the discretion to start at a higher weight. The weight must be pulled a distance of 27 1/2 feet in one pull to qualify and to continue. The width will be increased for the second pull and for each succeeding pull according to the judge's decision.

Each team will be allowed three (3) trials at each weight setting. A trial will constitute the moving of the sled and weight in any direction.

Fussing with the team while hitching or milling after it is hitched will NOT be tolerated. If any team becomes unmanageable or difficult to handle, and in the opinion of the judge becomes dangerous to the public, they will be disqualified and ordered to be taken from the field.

Pulling the team back against the sled and jumping or lunging them into a start will not be tolerated. Tugs and hitch must be reasonably tight when starting. Violators will be disqualified.

The load must be pulled in a straight direction; not seesawed from side to side. A roadway of 20 feet will be designated, and the team must not step outside at any time.

A driver cannot abuse or frighten his team in any way, either during a pull or between pulls.

Special effort will be made to keep the crowd quiet during each pull. If another teamster or handler interferes with the team making a pull, the person who interfered will be removed and his team disqualified.

**The Marvin D. Tuckwiller Memorial Trophy** will be presented to the first place winner.

**The West Virginia Department of Agriculture** will present trophies to the first, second, and third placing teams.
