VOLUNTEER INFORMATION

State Fair of West Virginia Volunteer Program

We are once again calling for volunteers for the Home, Arts, and Garden competitions. We have some excellent opportunities for you and your family and friends this year and hope that you will join us this coming August!

Enclosed you will find a schedule of the times, dates, and departments where we need your help and a brief description of the job responsibilities. Please check your schedule preferences and return to me in the provided envelope by July 6.

As a member of the Give & Grow Volunteer program, you will receive the following benefits:

1. A name tag for identification for each shift you are assigned to work.
2. A flow chart showing who to contact in each department when you have questions.
3. A preferred parking pass. This will be sent with your confirmation letter as well. If you volunteer on Saturday, August 4 through Wednesday, August 8, you will NOT receive a preferred parking pass, but may park in the free parking lot. All other shifts will require a parking pass.
4. A free gate admission ticket for each **two (2) hour shift you work. (Two (2) tickets maximum each volunteer per day.)** Tickets will be distributed at the **end** of your completed shift(s).
5. An invitation to the fair's annual appreciation dinner. This will be mailed in the fall.

Do not forget to mail your information in by July 6. If you have any questions, please call at 304-645-1090 or email melodyh@statefairofwv.com
