Rules pertaining to the Boer Goat Show:

1. All goats must be registered in the ABGA Herdbook before the day of the show. Recognized associations include the American Boer Goat Association. Original registration certificates are required, though a copy of a Registration Application, stamped with the date received by the ABGA, can be accepted for kids less than three (3) months of age. Animals must be registered in the name of the exhibitor and must have been owned by the exhibitor on or before the date of the show. Throughout the ABGA and JABGA show rules the term exhibitor is defined as the owner of the animal listed in the ABGA registry shown on the entry deadline.

2. All goats must have legible tattoos or other means of permanent identification consistent with its registration certificate or the animal will be disqualified. Point winners from each class must have their tattoos read and recorded. The judge will be responsible for ensuring that the tattoos are read and properly recorded. The show secretary will be responsible for recording the tattoos and informing the judge as to which goats will need to be check. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.
3. Goats entered under the ABGA registration number and presenting the ABGA Certificates of Registration will be eligible to earn points for their actual placing in the show as described in the ABGA "Criteria for Ennoblement of a Boer Goat."
4. Birthdates, as listed on the registration certificate, will be used to determine the class divisions.
5. All animals must be registered purebred, Fullblood or Percentage Boer Goats. Percentage doe classes are for goats 50% to 80%, Purebred/Fullblood classes are for does that are 93.75% and higher, 96.87% and higher for bucks. Bucks 96.86% and lower are not eligible to be shown. Progeny of fresh does will not be allowed in the ring. At the discretion of the judge and superintendent, goats may be let loose in the ring as a function of judging. The Champion and Reserve Champion classes will be chosen from the first and second place animals in that division of the show.
6. Any goat showing any pronounced defect or abnormality will be barred from the show in any breeding classes. Artificial coloring will be a disqualification as well as illegible tattoos or tattoos that are inconsistent with the goat's registration papers.
7. **REFER TO HEALTH REGULATIONS.**
8. **No exhibitor will be paid premiums for more than the two (2) highest places earned in any single class.**
9. The SFWV reserves the right to have any goat inspected by the Superintendent, a veterinarian of its choice, or Animal Health Staff to diagnose contagious disease and to reject any unhealthy animal at any time during the fair.
