**\*NOTICE as to THURSDAY, AUGUST 15 SESSION:**

Please be advised the WV High School Rodeo will be taking place on Thursday August 15, and the Rodeo will be utilizing the horse show warm up ring, so the upper ring will be unavailable for use by horse show exhibitors on Thursday, August 15 ONLY. For our Thursday August 15 Horse Show, we will utilize an area of the track for warming up show horses and the DQP Area for walking and racking horses.

**AWRHA's Quick Reference Rules:**

**Racking vs Walking-** A Horse may show in EITHER walking or racking classes at this show, but not both.

A **Spotted Horse** may also cross enter into EITHER Walking or Racking Classes at this show in addition to spotted classes, but not walking and racking.

**Walking Cross Entering-**Horses may not cross enter at this show between All Day Walking (3/8 x 3/4 shoe), Trail Walking (3/8 x 3/4 shoe), and Country Walking (3/8 x 1 shoe). (But these horses may all enter "4 and Under Walking Pleasure" classes as long as they meet the shoeing requirements listed on the 4 and Under class). Otherwise, walking pleasure horses can always "show up" into a heavier shod walking pleasure division.

All Pleasure Horses may enter into any and all **Miscellaneous classes** at this show (i.e. Go As You Please, Easy Gaited Pleasure) so long as that horse meets the shoeing requirements listed on the miscellaneous class, if any.

### **Registration Requirements-Spotted**

Horses do not have to be registered spotted. And Country Pleasure Walking does not have to be registered Walking. Horses in Miscellaneous classes do not have to be registered with any association.

These rules supersede the rules of any HIO or other association rules at this show. The purpose of these rules is to lessen confusion, eliminate “loopholes”, and strengthen competitive fairness. Please pass any suggestions for future changes along to AWRHA.

**Go As You Please Classes**-Open to any flat shod horse regardless of what other division it may have shown in. Walk/favorite gait. Judged on best overall presentation, rider-to-mount suitability, and correctness while in the ring. Spooking, failure to follow the rail, and other mistakes should be penalized. Front end action, or other specific qualities associated with a particular discipline should be neither rewarded nor penalized.

**Easy Gait Classes**-Open to any pleasure horse wearing a 3/8 x 1 or smaller shoe regardless of what other division it may have shown in. These horses should be ridden on a loose rein and should appear to be a pleasure to ride. The gaits are to be a true walk, and a smooth, easy pleasure gait.

## WALKING HORSE SECTION

- \* Walking entries must be registered under their full registered name (except for “country pleasure horses” who do NOT need to furnish registration information).
- \* Shown at a flat walk, and running walk - all classes are specialty, two gaited.

### **For Your Information**

Pulling Order will be announced just prior to the contest.

A solid bottomed sled will be used for pulling. The first weight to be pulled will be a minimum of 3,000 pounds (including the sled). The judge will have the discretion to start at a higher weight. The weight must be pulled a distance of 27 1/2 feet in one pull to qualify and to continue. The width will be increased for the second pull and for each succeeding pull according to the judge's decision.

Each team will be allowed three (3) trials at each weight setting. A trial will constitute the moving of the sled and weight in any direction.

Fussing with the team or milling after it is hitched will NOT be tolerated. If any team becomes unmanageable or difficult to handle, and in the opinion of the judge becomes dangerous to the public, they will be disqualified and ordered to be taken from the field.

Pulling the team back against the sled and jumping or lunging them into a start will not be tolerated. Tugs and hitch must be reasonably tight when starting. Violators will be disqualified.

The load must be pulled in a straight direction; not seesawed from side to side. A roadway of 20 feet will be designated, and the team must not step outside at any time.

A driver cannot abuse or frighten his team in any way, either during a pull or between pulls.

Special effort will be made to keep the crowd quiet during each pull. If another teamster or handler interferes with the team making a pull, the person who interfered will be removed and his team disqualified.
