

Application Process

Thank you for your interest in becoming a Food Concessionaire at the State Fair of West Virginia. There is no deadline to submit an application. Once you have submitted an application we ask that you be patient. Our only correspondence with you will be if you are awarded a contract for space.

Applications will stay on file for up to three years from date of receipt. There is no need to resubmit an application every year.

The process is very competitive and each year many applications are considered for a very limited number of food concession locations.

Listed below are some of the criteria we use when considering a food concessionaire:

- Experience at other fairs and/or festivals
- Mobile food concession presentation and appearance
- Balance of similar products around the fairgrounds
- Appropriateness of products and booth structure to the available location
- Physical requirements
