1. The Draft Horse Division is open to All Breeds of Draft Horses both large and small. A Small Draft is defined as a horse of draft breed in which the breed's standard height is 15.2 hands or under or draft horse crosses that are 15.2 hands and show characteristic draft breeding. Draft Mules are Allowed.
2. All Draft Horse entries are to be made on the special Draft Horse entry form, do not use the Open Horse Show entry form. Fees are to be paid when entries are made. If you foresee several changes in classes (additions) during the show, a signed open check made payable to: State Fair of WV or a credit card number can be left on file at the horse show office. Entries will be accepted on a first-come basis if stalling horses. Every attempt will be made to accommodate all requests, but space is limited. Colts occupying stalls to them selves, will be charged full price. **DO NOT RESERVE EXTRA STALLS FOR TACK;** request stalls for the actual number of horses that you plan to exhibit. Draft Horse exhibitors will be issued **TWO (2)** gate admission passes per horse, per day. Copies of the Registration Papers are required for Registered Percherons, Clydesdales, and Belgian Horses except stallions and mares under one (1) year of age. Stallions and mares under (1) year of age must be eligible to register with their breed associations. All entries, including ship-ins, must be pre-registered. Miniature Horses will be provided stalls, in the draft barn, only if space permits.

3. All in-state horses must have a current negative Coggins within 12 months. In addition, all out of state horses must have a negative Coggins and a Health Certificate (with in 30 days of showing). The Coggins and Health Papers will be inspected by the State Veterinarian. Paper copies of the Coggins and Health Papers must be on file at the horse show office, no exceptions.
4. Ship-ins will only be allowed on Sunday, August 10, 2025 for the Registered Draft Classes. A one-day ship-in parking pass \$20.00 per vehicle. Exhibitors will receive two (2) passes to enter the gate. Any additional passes will have to be purchased at the gate. Miniature Horse exhibitors who need passes may purchase a ship-in pass and will be subject to the ship-in rules. Ship-ins must vacate within one hour following the completion of their class. If the exhibitor is traveling from long distances for this show, call the Horse Show Secretary to discuss stalling options. The Registered Draft Horses do have the option to participate in the Monday, August 11—Noon classes.
5. All colts MUST be broken to lead and MUST be shown under halter.
6. Horses will be exercised in a location specified by the Horse Show Management. The wagons and other equipment will be parked at a place designated by the Horse Show Management.
7. All entries and/or changes (name of drivers) in all Driving Classes must be made 1 hour prior to each session. Horse Show Management reserves the rights to split a class for safety purposes. In larger Driving Classes, the ring steward will direct the class as to lining up in the center or being asked to stop on the rail and then pulled from the rail when winning entries are announced.
8. In Hitch classes where two (2) horses are shown, they may be owned by (1) or more exhibitors, but be entered under one name. Mares and geldings of any draft breed, registered or non-registered, are eligible for all hitch classes unless

limited by the class description.

9. At the start and duration of the show, all entries should be ready well in advance to avoid delays. If you need more time, please notify the horse show office, so consideration may be addressed. The maximum time limit is five (5) minutes after the class is called by the announcer.
10. Breakage of equipment in a class or line-up could result in disqualification. The extent of the break age will be at the discretion of the judge.

Front end action, or other specific qualities associated with a particular discipline should be neither rewarded nor penalized in this class.

**Easy Gait Classes-** Entries in these entry level classes do not have to be registered, but must be gaited horses wearing a 3/8 x 3/4 or smaller shoe. These horses should be ridden on a loose rein and should appear to be a pleasure to ride. The gaits are to be a true walk, and a smooth, easy pleasure gait. Judged on rider to mount suitability, ability of horse to work comfortably on a loose rein, neatness of appearance and overall presentation, and behavior of the horse in the ring. Mistakes should be penalized in judging and horses in this class should never display a labored, crampy, or gimmicky gait. A smooth, comfortable, easy gait shall be the paramount requirement for horses tied favorably.

These rules supersede the rules of any HIO or other association rules at this show. Show management, in consultation with AHS HIO, will make a final decision on any contested or unclear rules issue.

Youth Walking Horse exhibitors may show a stallion in any class that is not a youth class, and a youth Walking Horse exhibitor may show a pony stallion in a youth class that allows Ponies.

\*TWBEA class will be added in a To Be Determined spot, at no extra charge, if requested.

## Draft Horse Pulling Rules

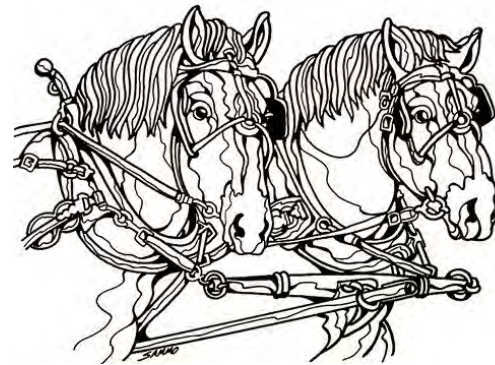

1. **Pulling Distance**—27 1/2 feet
2. **Width of Pulling Area**—20 feet
3. **Two Classes of Horses**  
Light Weight— 3,425 pounds & under  
Heavy Weight—3,426 pounds & over
4. **Sled**—A stone boat or solid bottomed sled will be used for pulling. The first weight to be pulled will be a minimum of 3,000 pounds (including the sled). The judge will have the discretion to start at a higher weight.
5. **Hookers**—Two (2) hookers, plus a driver to drive the teams will be allowed. All helpers must stay behind eveners and remain silent once the team is hooked. The driver must drive the team from behind the eveners. Only the driver may call on the team.
6. **Boundaries**—If a team steps on or over the side line, the pull attempt will not be counted.
7. **Three Pulls**—Each driver is entitled to take 3 pulls. All teams must take the 1st pull. If he unhooks after the 1st pull, he forfeits his 2nd. He may come back, in order, for his 3rd attempt.
8. **Time Limit**—Each team will have 3 minutes to hook after being called for the first pull. 1 minute between the 1st and 2nd attempt. The time for the 3rd pull is the same as the 1st.
9. **Pull Attempts**—3 unsuccessful attempts to hook will count as 1 pull attempt. Driver will have 6 attempts to get hitched. If all 6 Attempts are missed the team will be eliminated. All the teams must take the 1st and 2nd pull to be entitled to a 3rd.
10. **Direction of Pull**—1st and 2nd pulls shall be taken in the direction indicated by the judge. The 3rd pull may be taken in either direction, providing the sled is not past the end marker.
11. **Movement of Sled**—Any forward movement of the sled after the driver gives command to go will be counted as a pull and measurement

will be recorded, except with breakage of equipment. If sled is advanced over 18 inches between 2nd and 3rd attempts, the distance will be counted at 18 inches for 3rd attempt.

12. **Breakage of Equipment**—The team must remain in the pulling area and come in at the end of the round for their turn and pick up their proper place the next round. The team has 5 minutes to make repairs.
13. **Drivers**—Each team shall be driven by one driver at all times through the entire contest, except in the case of driver injury.
14. **Heading of Horses**—The heading of horses is prohibited. In case of unhooked tug, or horse over tug, the driver must unhitch from the sled, then correct the problem and then hitch again for the same pull.
15. **Treatment of Horses**— Drivers shall not prod, whip or touch the horses while pulling and in no case whirl or shake the lines over horses or above his own head. Jumping of doubletree is not allowed. First penalty—loss of one pull attempt; Second penalty—disqualification from the entire pull.
16. **Unmanageable Teams**—If any team becomes unmanageable or difficult to handle, and in the opinion of the judges may endanger other teams, drivers, or spectators, they will be frozen in position and ordered taken from the field. If any team breaks away from the driver or helpers or runs away, it forfeits any premium it might have earned in the contest up to the time it runs away.
17. **Conduct of Horsemen**—Behavior of all horsemen (driver and helpers) will be above reproach at all times. Disciplinary action by the judges will be taken. Anyone disrupting the decision of the judges will be immediately disqualified. This includes all teams the driver has in the contest.

18. **Bridles and Other Equipment**—Bridles may be open-faced or with blinders. No change can be made after the contest starts. Teams may be tied together with check lines only. Hitching with cross tugs is prohibited. No bits, chains, or extras will be hung on the harness.
19. **Conduct of the Crowd**--Special effort will be made to keep the crowd quiet during each pull. If another teamster or handler interferes with the team making a pull, the person who interfered will be removed and his team disqualified.
20. **Exit the Fairgrounds**--All teams will be expected to leave the grounds immediately following the contest and award presentations unless prior arrangements with management have been made.
